Dr. Bob Casanova, PsyD, LMFT  
9048 Brooks Rd S., #325  
Windsor, CA 95492

Dear Bob:

This letter is to inform you in writing of your selection for the CAMFT Mary Riemersma Distinguished Clinician Member Award – CAMFT's highest honor! We would like to sincerely congratulate you and are pleased to be able to present you with this award.

Here is the write-up that will be put on the CAMFT website (<https://www.camft.org/honors>):

"In the last decade no one has provided more years of voluntary service to CAMFT's leadership than Dr. Bob Casanova, PsyD, LMFT. Bob's long history to both his local Chapter and the State organizations and serving as President and President-Elect to both have left a positive impact on the profession. Dr. Casanova has a private practice as a Licensed Marriage and Family Therapist, and is an Educational Consultant in Sonoma County. As a first-generation son of immigrant parents, he has always felt conscious of the need to provide mental health services not only to those who can afford them, but to all people who need our care. He believes CAMFT has an obligation to create a more diverse, equitable and inclusive Board and membership. To better serve our members and California's communities, Bob has worked to help facilitate this lofty goal. His services to the MFT profession and CAMFT are deeply intertwined as a result of his many years on the CAMFT Board of Directors which includes lobbying at both the state and national level for legislation to benefit LMFTs, supporting and guiding CAMFT's programming to benefit its members, with a special emphasis on serving the pre-licensed membership."

Again, we congratulate you on being selected for this award and we wish you the very best as you continue to enhance the profession of marriage and family therapy.

Cordially,

CAMFT Honors Committee

Doreen Van Leeuwen, LMFT, Chair  
Kathy Langsam, LMFT
